Property Description

Location: Fuengirola, Costa del Sol, Spain

New Development: Prices from 1,675,000 € to 1,675,000 €. [Beds: 3 - 3] [Baths: 2 - 2] [Built size: 152.00 m2 - 152.00 m2]

This development is a master-planned community with a first-class infrastructure and set of support services designed to offer a superior quality of life. The apartments, garden and sky villas in the units are laid out in small, intimate blocks of 5-7 properties each and surrounded by gardens carefully landscaped to create a sense of peace and beauty around the homes. The development is in phases, and since this is the only master-plan development of its kind on the Costa del Sol, the infrastructural planning is excellent and the architectural styling complementary and harmonious.

The flowing design of the development makes full use of the natural shape and gradient of the land, allowing for a high degree of privacy that assures stunning views across the Costa del Sol coastline and the Mediterranean Sea – and makes your home the place where you can clear your mind and re-energize.

This development is designed around a living concept that responds to today's work and lifestyle schedules – smoothly facilitating them by providing for all modern-day needs, but also creating an ideal setting in which to relax and un-wind surrounded by peace and nature.

Close to major road networks yet sheltered from them, this development is within a 10 to 25-minute radius of Fuengirola, Benalmádena, Mijas, Marbella, Málaga and the international airport.

Alternatively, you can also be on the beach, golf course or enjoying a wide array of sports and pursuits in a question of minutes. This is a place to clear your mind and re-energize.
