We are proud to offer the most beautiful apartment in the well-known Los Monteros Hill Club. Property Description

Location: Altos de los Monteros, Costa del Sol, Spain

We are proud to offer the most beautiful apartment in the well-known Los Monteros Hill Club. Due to its location in the complex, this 2 bedroom apartment offers an overwhelming panoramic view over the 'entire' Costa del Sol with Marbella at the foot, the coastline, the Mediterranean Sea to Africa and of course with lots of green nature because it is a corner apartment. Nature plays an important role with the current residents, hence the beautiful 'wall garden' they have created at the entrance of the house, which is maintained by the community. The artistic couple (architect and artist) that offers the house has turned it into a wonderful home and has really thought of all the details, so that the living pleasure is visible in every corner and behind every door.

The entrance leads to the very spacious living and dining room, very tastefully decorated, with views to almost all directions (South-West) and surrounded by many outdoor areas with large windows, allowing a lot of light. From the dining area and the living room there is direct access to the huge terrace of over 100 m², where a spacious 'outdoor room' of 38 m² has also been created. This spacious outdoor area has both sun-drenched areas and shaded areas.

The very spacious and luxuriously equipped kitchen with all imaginable equipment can be reached from the dining area with a view of the beautifully landscaped 'wall garden'. The window in the utility room can be opened completely and then suggests an open space and therefore gives a spacious impression.

The apartment has 2 spacious and very beautiful bedrooms, each with a large and beautiful luxurious bathroom. From the master bedroom you can also enter the south-facing terrace.

The house excels in beautiful details and is well worth a visit. All rooms have underfloor heating and individually adjustable air conditioning (H/C). All large windows and sliding doors have electric blinds and awnings.

There is a private parking space in the garage and a large storage room.

The first large supermarket is about 7 minutes by car and the village of Marbella about 10 to 15 minutes. The beaches of Marbella can be reached within 10 minutes.

The house is in excellent (and tasteful) condition.
