Property Description

This vast apartment has just hitting the market and offers the most outstanding unparalleled views this coast has to offer.

A duplex penthouse providing spacious living with all 3 bedrooms en-suite, 2 large terraces and a cozy log fire for the winter nights.

Close by you can find many outstanding golf courses here in Benahavis, including La Quinta, La Zagaleta, Los Arqueros Golf, Guadalmina and Los Flamingos.

Benahavis is a simply delightful mountain village overlooking the Guadalmina River and according to the BBC Holiday Programme 'as close to paradise as you can get ! One of Andalucía's best kept secrets Benahavis is just 7 km into the mountains from the main coast road, just west of San Pedro de Alcántara and only a few minutes from Marbella and Puerto Banus. The village itself is a delightful pueblo, with narrow cobbled streets, that still keep the original Moorish layout. There are pretty houses, some shops and a simply amazing choice of restaurants. It is known locally as the 'dining room' of the Costa del Sol.
